## Residential Cleaning

When you hire Sophia's, you'll come home to a house that sparkles. That's right; you don't even have to be there for us to clean. We understand that life can get busy and we want to give you time back to spend with doing what you love with who you love. So, go to work or on vacation or just spend time with your family. Before you leave, make sure we have access to your home, and then you don't have to worry about the dishes in the sink or the trash when you get back.

## Commercial Services

Sophia's also provide cleaning for businesses as well. We clean several types of commercial properties including offices and restaurants. We will clean bathrooms, waiting areas, reception area, offices and kitchens.

When you hire us to take care of your needs, you'll receive a clean that satisfies your employees and welcomes your customers.

## Move In/Move Out Cleaning

Moving is stressful. Between packing, transferring services, getting used to the new area and a zillion other things, cleaning doesn't have to be another stressor. It doesn't matter if your moving in or out of your home, cleaning it up can be a challenge.

Let's face it; you probably have months of gunk caked to the inside of your oven or dust all over the top of your refrigerator. Dirt and grime can accumulate quickly, and with the hustle of everyday life, cleaning often gets pushed to the back burner (pun intended). Sophia's Cleaning

wants to help you get settled into your new home with one less thing to stress over. That's why we provide move in and move out cleaning.

Check one thing off your to-do list. Sophia's got it handled.

## New Construction Cleaning

If you have a home or business you've just had constructed, you might think that since it's new that everything will be clean. Hate to break it to you my friend, but that's far from the truth. When you first walk into your property, you'll notice dust, dirty floors, counters, window sills, and more. The last thing you have time for is deep cleaning the entire building. On a positive note, you don't have to, if you call Sophia's Cleaning.

Cleaning will be one less thing you have to do before moving or opening day.

## How You'll Feel After

Sophia's wants you to be able to enjoy your home and your life. We hope that you'll feel relieved when you walk through the door after a long day at work to find that the trash was already taken out and the floors vacuumed. We want you to be able to sit down on the couch on Friday night to relax while binge-watching your favourite shows with your family without staring at the dust on the ceiling fan and thinking about the dirty dishes in the sink that you need to wash.

You shouldn't have to choose between keeping a clean home and making memories. That's why Sophia's exists.

Whether you realize it or not, Sophia's cleaning your home can be a tremendous gift. Especially if you're the one that usually does it all. Take a load off and hire someone to do the grunt work for you.

**Life is short, busy, and full of surprises. Sophia's Cleaning Services is waiting for you to take back your life.**

**Save time, enjoy life**
